SHREDWARDEN℠

SECURE DESTRUCTION

CAPABILITY STATEMENT

DESTROYED ON SITE. DOCUMENTED EVERY TIME.

Records transportation · Records-center labor · Secure destruction

Core competencies

Records transportation

Box truck and pallet transport, site-to-site transfers and agency pickups, with chain-of-custody documentation.

Records-center labor

Surge crews for backlogs, reference, refile, in-stack scanning support, shelving, pallet transfers and shrink wrapping.

Secure destruction

Mobile on-site paper, hard drive and media destruction. Shred-Tech MDS-series truck with ST-5 hard drive shredder. Certificate of destruction for every job.

Disposal logistics

Removal of approved-for-disposal materials, debris, shelving and pallets. Shredded paper directed to recycling.

Why Tiverton

- Local coordination across DC, Northern Virginia and suburban Maryland, including Suitland and College Park.
- Transportation, labor and destruction through one coordinated Tiverton team.
- Documented custody from pickup through destruction.
- Scope planning for fixed-price task orders, site procedures and applicable Service Contract Act wage requirements.

Operating divisions: Shredwarden and Signature Haul DC, Tiverton's hauling and logistics division.
